

HEART STATION

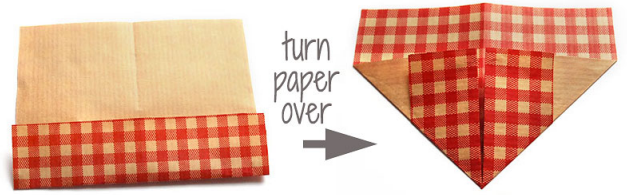

Origami Heart with Pocket Instructions

1. Start by making two folds, horizontally

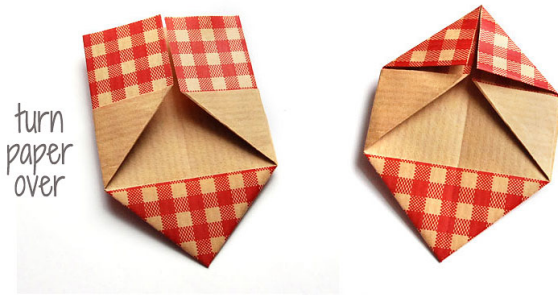

and vertically through the center.

2. Then bring the bottom edge up to meet the center line, and fold. Turn paper over and fold

up bottom corners to form a point

3. Turn over and bring in the side edges to align with the center fold. Turn down top corners to meet in the middle.

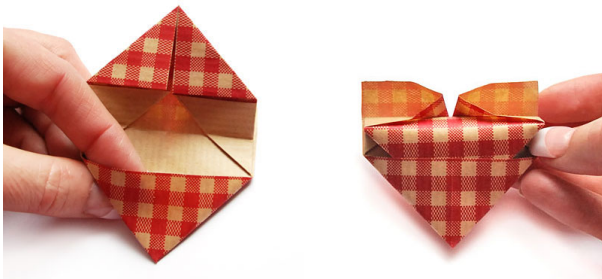

4. Bring down top point to meet bottom point. Open up then press down the two flaps that

form.

5. Open up and tuck top point into flap in order

to make a pocket.

6. Fold down top corners to create two points

7. Fold down the two
fold and form a heart shape
